The Pass of Aberglaslyn, which runs between Beddgelert and Portmadoc, is one of the most beautiful spots in Wales. Here the scenery is quite an Alpine character, fir-clad shores and frowning cliffs fringing the mountain stream of the Glaslyn. Near by is the grand Hotel de Ville, a noble hotel, whose doings are recorded in the well-known poem.

Dear Emily, you certainly do get some lovely weather for your days out. It will be delightful watching, or Rowing on the River today. Beautifully. Yolly, Northern. Love.
